- Please note change to point 20 B of the event Supplementary Regulations :

~~Starting positions for Event 1 will be according to a number draw to determine the rotation for the 2021 season. The 2020 top 10 competitors will choose their starting positions according to their 2020 standing.~~

~~NRC 1 and NRC 2 will be ahead of the field for safety reasons. NRC 3 to NRC 5 to start behind NRC 1 and NRC 2 classes.~~

Change to: The starting order for the 2021 NTT Toyota Delmas Rally will be determined by referring to the latest seeding from the National Rally seeding list. This practice will be implemented for the rest of the 2021 season. A circular will be published in due course to amend the 2021 SSR's.

The Clerk of the Course reserves the right to amend the positions based on the interest of safety.

3. For the purpose of avoiding confusion, please note that all activities (COVID Screening, Recce and Official Start of the event) will take place from NTT Toyota Delmas on Friday morning. You need not go to J.J Potgieter farm before the start of the event unless it will assist with your logistics to park trailers etc.

Service A will be remote in the proximity of the end of SS 1 & 2 Buiteplaas. After the first service, service crews can make their way to J.J Potgieters Farm to set up in the Service Park for the remainder of the event. I trust that this will clarify the confusion that may exist.

4. Please familiarize yourself with the published layout for arrival at NTT Toyota Delmas. The only access to Toyota will be by using Hospital Street. Temperature screening will be done from the Hospital Street entrance. Please assist us by having your documentation ready to streamline the process.
5. Please ensure that ALL competing vehicles have a hard copy of the technical passport within the vehicle. Kevin Clark will be available to assist should you have any questions.
6. We are still under Alert Level 1 of the South-African Government Disaster Management Plan concerning Covid-19, so please adhere to the regulations as set out by MSA in Circular 6 of 2020.

It is in all our interests to comply as any breach may result in events not being permitted to continue. Sanitize, wear masks and lets keep our distance to keep each other safe.

7. Thank you very much for your entry to start our new season for 2021.
8. Travel safe and stay safe.
