

2021 LAKE UMUZI RALLY – ROUNDS 5 & 6

BULLETIN : 1

DATE: 2 October 2021

TIME: 09H00

Dear Competitors,

Thank you very much for entering the 2021 Lake Umuzi, Rounds 5 & 6 of the S A National Rally Championship. We acknowledge the huge sacrifices you make to compete in Rallies in these trying times.

We are facing some serious challenges due to the rain over the past few days. The stages are currently too wet to proceed with the Route Safety Notes and we lost a stage due to the surfaces not being suitable when wet. The landowner requested that we do not make use of this particular stage for the event.

The Itinerary, Roadbook etc needs to be adjusted and this will take some time. Please note that Part 11 of the programme concerning the availability of Roadbooks and Route Safety Notes deadline, will now not be possible.

Roadbooks are available on the closed area of www.sarally.co.za
Route Safety Notes PDF will be available for download

I will get this done as soon as I am able to do so. You will be kept updated throughout on our progress. I do apologize for any inconvenience caused.
