Any organiser advertising must fit into an area of the same width (50 cm) and 14 cm high (or 2 x 7 cm high), situated above and/or below the numbers.

It is at the organisers' discretion to distribute roof panels to the competitors.

### **FRONT PLATE**

One plate fitting into a rectangle 43 cm wide by 21.5 cm high which shall include at least the competition number and full name of the rally.

### **RESTRICTIONS ON ADVERTISING**

Competitors are allowed to affix any kind of advertising to their cars, provided that:

- It is authorised by the national laws and the FIA regulations.
- It is not likely to give offence.
- It is not political or religious in nature.
- It respects the regulations on competition numbers.
- It does not interfere with the crew's vision through the windows.
- It complies with the provisions of Article 10.6.2 of the Code.

The name of an automobile manufacturer may not be associated with the name of a rally or appear in the organiser's compulsory advertising spaces.

The text of any obligatory organiser advertising must be clearly indicated in the supplementary regulations, or in an official bulletin before the close of entries for the rally.

#### **Art. 6.1            Obligatory organiser's advertising**

Rally plate:

***TRACN4 Rally of South Africa***

The organiser will provide each crew with the number identification (67x17cm), which must be affixed to their car in the stated positions prior to scrutineering. Each panel shall be placed horizontally at the leading edge of each front door, with the number at the front. The top of the plate shall be between 7 cm and 10 cm below the lower limit of the window. **It is not allowed to cut the panel.**

## **Art. 6.2 Optional organiser's advertising**

The organiser may require competitors to carry optional advertising. If a competitor declines this advertising the entry fee may not be more than doubled. In any case this additional charge is limited to €2,000.

No additional fee for optional advertising referring to a make of automobile, tyres, fuel or lubricant may be imposed on a competitor if the competitor refuses such advertising.

Competitors who accept the organiser's optional advertising as specified in the supplementary regulations must reserve space for it. No modification of the advertising is allowed.

The organiser's optional advertising must be clearly indicated in the supplementary regulations. If the optional advertising is published in a bulletin, and should there be conflicts with the competitor's advertising, the competitor may refuse such optional advertising without paying any extra fee.

## **CHAMPIONSHIPS IDENTIFICATION AND ADVERTISING**

The promoter of a Championship (if applicable) may have additional advertising requirements. The following areas are reserved for a Championship Promoter (if any) to apply championship identification and advertising by means of sticker sets:

- A space (15 cm high and the full width of the windscreen), below the existing 15 cm high reservation for Competitors at the top of the windscreen, on condition that it complies with the national laws of the country of the rally.
- A space 6 cm high and 67 cm wide immediately below the front door panel described in Article 27.2.1.
- A space up to 10 cm high and 20 cm wide on the dashboard of the car and within view of the on-board Camera of the Championship Promoter.

### **Art. 11.7 Installation of the safety tracking system**

All competitors must make provision in their cars (brackets correctly secured) for the installation of a Safety Tracking System (C-Track devices). Installation and operating instructions can be downloaded from [www.sarally.co.za](http://www.sarally.co.za). The correct functioning and installation of the equipment will be checked at scrutineering. Crews are instructed to arrive at scrutineering fifteen (15) minutes earlier than their allocated scrutineering time to allow for the installation of the C-Track device. Please ensure that the mounting points are strictly as per the SSR's.

*For rallies counting towards the FIA African Rally Championship, the use of a safety tracking system is obligatory.*

### **Art.12 Other procedures and regulations**

#### **Art. 12.1 Ceremonial start procedures and order**

*TBA*

#### **Art. 12.2 Electronic start procedure**

Rallytime clocks are in use and will be clearly visible to the crew. The starting time will be displayed as a countdown clock, starting from 59 seconds with the competitor starting on zero seconds. The cars will take their place on the starting line following the marshal's instructions. Results for Special Stages will be measured to the tenth of a second.

#### **Art. 12.3 Finish procedures**

The competition part of the rally ends at the final TC – Parc Ferme IN

#### **Art. 12.4 Permitted early check-in**

Crews may report before their due time at the following time controls:

- Parc Ferme IN at the end of Day 1.
- Parc Ferme IN at the end of Day 2.
- Crews must nominate their correct clock-in time provided they are early.

#### **Art. 12.5 Super Special Stage, regulations and order**

*Not applicable*

#### **Art. 12.6 Special procedures and activities**

##### **Art. 12.6.1 Availability of participants**

Participants who park their vehicles in the Parc Fermé upon passing the finish line, must remain available by phone (mobile) until the final classification have been posted.

##### **Art. 12.6.2 Classification**

The official final classification will not be distributed after the event. The final classification will

be published on the website on the Digital Notice Board [www.sarallying.co.za](http://www.sarallying.co.za)

#### **Art. 12.7 Official time used during the rally**

Official time throughout the entire rally will be GMT+2 as per GPS Standard Time and a master clock will be on display at the administrative checking.

#### **Art.12.8 Safety Plan**

A detailed Safety Plan will be published beforehand for crews to print and have available in their vehicles on the event. Foreign competitors will be issued with a copy.

#### **Art.12.9 Testing**

Testing – SA Competitors also refer to SSR193 Article 8.2.2

Any crew testing within the vicinity of the rally area should seek approval of the Clerk of the Course as they may be barred from participating in the event when within 150 kilometres from Rally HQ.

#### **Art.12.10 Road Books**

To save costs and the environment, traditional Road Books will not be distributed to local ASN competitors. Competitors may download the road books from the website [www.sarally.co.za](http://www.sarally.co.za) if they should require a copy. All liaison sections will be published beforehand for competitors to download. All officials and foreign competitors will be able to collect a copy of the complete Road Books from the Rally Secretary at Rally HQ.

#### **Art. 12.11 Shakedown Stage**

A Shakedown Stage may operate on Thursday, 25<sup>th</sup> November 13:00 and 17:00. Full detail at Documentation. Crews intending to do the Shakedown Stage must have completed documentation to qualify. All safety requirements as for a Special Stage will apply and basic safety checks will be carried out by the Technical Delegate.

#### **Art.12.12 Qualifying Stage / Free Practice**

##### **12.12.1 General**

A Free Practice / Qualifying Stage will be organised for all ARC eligible drivers, in order to establish the rally start order for the first leg.

All ARC eligible drivers must participate in Qualifying.

The Free Practice / Qualifying stage shall:

- be run as if it were a stage run during the rally and include all the appropriate safety measures,
- form part of the rally programme, but not part of the rally results,
- be representative of the rally, – ideally be of a distance between 3 km and 5 km.

### **12.12.2 Running of Free Practice**

A Free Practice stage will be organised with the purpose of being both a media and promotional opportunity and for competitors to trial their cars.

The eligible drivers may complete a maximum of 2 passages of practice within the timeframe specified by the organisers.

### **12.12.3 Breakdown during Free Practice**

A competitor whose car is unable to complete the Free Practice stage will be required to wait for the organisers to transport the car to the end of the stage after the Free Practice session has finished.

### **12.12.4 Disclaimer**

Any passenger on board the car during Free Practice who is not entered for the rally must have signed a disclaimer provided by the organiser.

### **12.12.5 Running of the Qualifying Stage**

After the 2 passages allowed for practice, eligible drivers will start the Qualifying stage in the order of the current African Rally Championship standings for Drivers with a 2-minute interval between each car.

The driver and co-driver entered must be on board the car throughout the Qualifying Stage.

The Stewards shall decide the order of drivers who are not been classified in the African Rally Championship for Drivers.

A starting list will be published at a time indicated in the rally Supplementary Regulations. The procedures stipulated for the start of a special stage will apply.

In the event of a dead heat in Qualifying, the competitors concerned will be classified in the order of their start positions in the Qualifying Stage.

If permitted in the Supplementary Regulations of the rally, Priority drivers may also participate in the Shakedown stage.

### **12.12.6 Non-participation or breakdown during the Qualifying Stage**

Any car which breaks down during the Qualifying stage or during the following road section will be transported to the parc fermé by the organisers once the Qualifying stage has finished.

Any driver who does not participate or does not correctly complete the Qualifying stage will be seeded last on the start list, amongst the ARC eligible drivers. If more than one driver does not complete the stage, start positions will be chosen in the order of the starting list for the Qualifying stage.

### **12.12.7 Attribution of Starting Positions**

The competitors will choose their start position for the rally according to the results of the Qualifying stage.

The fastest driver will choose his position first, then the second, followed by the third etc. Cars will be grouped in no more than 5 cars of similar performance.

Any driver who did not / does not arrive on time to choose his position will automatically choose his position last.

The location and time of day of this procedure must be specified in the rally Supplementary Regulations.

## **Art. 13 Identification of officials**

**All Officials, Organizers, Sponsors, Team managers, service crews and Competitors will be issued with either and/or ID Cards and Passes for the event.**

## **Art. 14 Prizes**

All member of the crews must be present at the podium ceremony / prize-giving. Crews who are not present may forfeit their prizes, however the final results will not be modified.

## **Appendix 5 – Extracts from FIA ISC Appendix L relating to overalls, helmets and any other safety requirements**

All competitors are reminded of Appendix L of the FIA International Sporting Code, in particular its -

Chapter III - Drivers' Equipment.

### **Helmets (Appendix L, Chapter III, Art. 1)**

All crews must wear crash helmets homologated to one of the following FIA standards:

- 8858-2002 or 8858-2010 (Technical List N°41),
- 8859-2015 (Technical List N°49),
- 8860-2004 or 8860-2010 (Technical List N°33), or
- 8860-2018 or 8860-2018-ABP (Technical List N°69)

### **Frontal Head Restraint (FHR, Appendix L, Chapter III, Art. 3)**

All crews must use FIA approved FHR systems homologated to FIA standard 8858.

Approved FHRs, anchorages and tethers are listed in Technical List N° 29.

See also helmet compatibility chart in Appendix L, Chapter III, Art. 3.3.

### **Flame-resistant clothing (Appendix L, Chapter III, Art. 2)**

All drivers and co-drivers must wear overalls as well as gloves (optional for co-drivers), long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2000 standard (Technical List N°27) or 8856-2018 (Technical List N° 74). Please pay special attention to the prescriptions of Art. 2 concerning embroidery and printing on flame-resistant clothing (manufacturer certificates etc.) **as well as concerning the correct wearing of the clothing elements! See also Regional Rally Sporting Regulations, Article 53.1.**

### **Biometric Devices (Appendix L, Chapter III, Art. 2.1)**

Drivers may wear a device to collect biometric data during racing.

- If the biometric device is integrated into a protective garment homologated to FIA Standard 8856, the garment shall be homologated to FIA Standards 8856 and 8868-2018.
- If the biometric device is a stand-alone device, then the device must be homologated to FIA Standard 8868-2018 only. This device must be worn in addition to the garment homologated to FIA Standard 8856.

### **Wearing of jewellery (Appendix L, Chapter III, Art. 5)**

The wearing of jewellery in the form of body piercing or metal neck chains is prohibited during the competition and may therefore be checked before the start.
