

2023 NTT TZANEEN RALLY

BULLETIN : 3

DATE: 24 August 2023

TIME: 21:00

Competitors and Officials,

Please note the following and make changes accordingly :

1. I have been informed by the Merensky Forest Management that the Bridge just after the start of the SS 2 & 5 - NTT Honda Agatha stage has been removed and there is a low water drift in its place. I have been advise that we should not race through it and to move the start of the stage beyond the drift. Thus, the start will move Approx 100m into the stage.
SS 2&5 NTT Honda Agatha, Rnd 5 and SS 2 Rnd 6 (Roadbook pages -11,42,78) – Please take note and adjust accordingly.
2. Delete Pages 62-67 in the Roadbook – They are duplications of SS 7 NTT King Price Town Twister to Parc Ferme.
