1. Introduction & Welcome

The 2019 RALLY OF SOUTH AFRICA is run in and around Sabie, in the beautiful surroundings of Mpumalanga, one of the provinces in the Republic of South Africa. The event is organized by the South African Motorsport Club (SAM) and we are extremely proud of over 3 decades of rallying in this area. A big welcome to all potential competitors, officials and spectators, you are all invited to be part of the best ARC Rally and National Rally on the calendar.

The 2019 RALLY OF SOUTH AFRICA also welcomes for the eighth year the African Rally Championship (ARC), competitors, service crews, spectators and our FIA Officials to our event and encourage you all to make use of all the facilities that have been provided to help to make your stay enjoyable.

The 2019 RALLY OF SOUTH AFRICA will be run in compliance with the FIA International Sporting Code and its appendices, the 2019 FIA Regional Rally Sporting Regulations, the 2019 National Sporting Regulations, 2019 FIA African Rally Championship Regulations, the provision of the South African National Sporting Regulations which comply with the FIA regulations and the Supplementary Regulations for this event.

2. Event History

The event has been run in this part of our country, organised by the SA Motorsport Club (SAM), and this year the second round of the SA National Rally Championship Series 2019, as well as the second round of the FIA African Rally Championship is being finalized and promise to be once again one of the biggest fuelled-up raves in the forests around Sabie, White River and Mbombela. The 2019 RALLY OF SOUTH AFRICA is undoubtedly the most popular rally on the South African calendar for competitors as well as spectators.

Although an event of this nature must inevitably produce disruption for the local communities, there is well deserved compensation in that extra revenue generated in the towns and the regions. Widespread television coverage of the event also provides the towns with exposure throughout South Africa and Africa.
