3. **KZN (NMCC) Scoring :**

With reference to Section 4 of the 2019 NMCC Regulations and Specifications:

To encourage more finishers of the entire NMCC Club Event, and considering the suggested 100km rally and 50km sprint regulation, the championship scoring will be split into two segments;

Section 1, 2 and 3 (SS1 - SS7, 91.38km) will be scored as double Championship Points and count as a single event.

Section 4 & 5 (SS8 - SS11, 52.29km) will be scored as single Championship Points and count as a single event.

This will allow competitors that have dropped out between Section 1 and 3 the opportunity to rectify their issues and compete for Championship Points in Section 4 and 5, however for trophy purposes only, the event as a whole will count as a single event. This is subject to Competitors notifying and obtaining consent from the Clerk of Course and Scrutineer, prior to re-entering the event in Section 3.
